Claims 1-15 are allowed by the Notice of Allowance dated August 5, 2004. The issue fee was paid on September 14, 2004.

Applicants respectfully submit that the amendment herein made to the specification does not add new matter, does not require a new search, and requires no substantial or additional work by the Examiner or the Patent and Trademark Office. Specifically, replacement drawing sheets were submitted on August 18, 2004. The replacement drawing sheets depicted the contents of previous drawing sheet No. 5 (Fig. 2d) on replacement sheets Nos. 5-6 (Figs. 2d-2e). The description of drawings within the Specification was not updated to indicate the additional drawing sheet. No new matter is added by this amendment. Thus, it is respectfully requested that the amendment be entered.

Favorable action is earnestly solicited.

Respectfully submitted,
